# A SHORT INTRODUCTION

We are a Spanish tour operator with 30 years of experience in arranging and organizing complete, culturally educational group travel to Spain.

Since we are a Spanish company, we're able to distinguish ourselves from other organizations with our knowledge of the country. Thereby we profit from our personal approach and reliability over the years, advising a clear itinerary and our absolutely competitive rates.

30 years ago we started offering only one service: placing school groups with host families. Currently we are here for providing full day programmes, accommodation and/or transport. Booking your trip with Multiturismo will guarantee you a complete and carefree cultural travel experience to Spain.

- **Professional and personal approach.**

From your first contact a personal travel agent will be assigned which will provide you with professional advice in putting together a memorable school trip.

- **Unsurpassed quality.**

Each stay taken care of to the last detail thanks to our extensive knowledge of the country and its various offerings.

- **Always a fair price.**

No unnecessary commissions and fluctuating rates.

- **Clear itinerary.**

Before departure you will receive a personal dossier with all the necessary information for the trip. The entire program is customizable to your liking.

- **Thorough knowledge of the destinations.**

Since we are a Spanish company we have the best possible knowledge of the country. This goes together with many financial advantages.

- **Well over 25 years of experience.**

Created to answer the demand for Spanish host families we today offer complete all-inclusive tours.

- **Only first-class host families.**

Through personal visits we make a rigorous selection of trusted quality homestays. Every family we know personally.

- **24/24 availability.**

24 hours a day both your personal English-speaking travel agent and your local representative are at your disposal for all questions.

- **No small print.**

With us you're guaranteed to start your journey without any unpleasant surprises on the way!

All programmes are completely adjustable to your liking. The "Budget" programmes ensure that you'll experience a complete visit at a very competitive price. "Traditional" programmes include everything you must see and visit in your destination.

The best way to reach Spain is by plane. Please mention in your quote request if you prefer travelling by bus, special requests, the date of travel, preferred destination(s) and the number of travelers.

## 01 DETERMINE BUDGET, LOCATION & DURATION

First of all it's important to determine your options within the budget. Define this in advance and then let yourself be fully informed by your personal travel agent. The primary cost of your trip will depend on the destination and trip duration. Secondary costs concerning the content of your journey will be determined in consultation within your budget.

## 02 CHOOSE YOUR PROGRAMME

We offer you the opportunity to choose from one of our pre-made programmes. These programmes include the most popular attractions and offer a complete picture of your destination. It's also possible to adjust the programme to your liking. A trip including only the host families and/or the transportation is also a possibility.

## 03 YOUR QUOTATION WILL BE SENT

Within a few days you will be sent a quote. This after defining the details of your trip. Also the teachers can stay with a host-family or choose for a hotel. Breakfast, lunch and dinner is included in the stay. These and other options are thoroughly discussed before the final quotation.

# YOUR TRIP IN 6 STEPS

## 04 CONTRACT & PAYMENT

Upon agreement a detailed contract is composed. Directly after booking we'll ask you to deposit 25% of the total amount. 1 month prior to arrival to your destination up to 75% of the total and at least 2 weeks before arrival the remaining 25%.

## 05 YOUR TRAVEL DETAILS

A week before your arrival we'll send you all the travel details concerning the transport, accommodation, planning/programme and important phone numbers. At this point you still have plenty of time to make any adjustments to your trip.

## 06 ARRIVAL & RECEPTION

Upon arrival at your destination the local representative will be there to receive you. At the end of the first day the students are placed with their host families at an agreed meeting point. And to avoid any confusion we make sure that your travel agent will remain your main contact throughout the entire process.

# THE HOST FAMILIES

Thousands of host families throughout Spain are currently working for our company. Each family has been personally selected through a home visit. By doing this it allows us to preserve the quality of our company. Having this many host families gives us some flexibility when it comes to special needs and requests. Additionally, the families are familiar with the routines to have students in their house because they're linked to a points system which takes into account the availability, hygiene in the house and various other factors.

We also offer you the option to specify a preferred neighborhood in the destination. When you're not entirely known with the destination we will provide you with the best available neighborhood.

# RESUME

After accepting the quotation your trip will be completely composed. You'll receive your first draft together with the contract and terms. Upon arrival in Spain you will receive a detailed file containing all the necessary documentation concerning your trip. This includes reservations, tickets, city maps and important phone numbers. A duplicate of this file will be given to your local representative.

We will guarantee a 24/24 hour availability with your English speaking agent during your trip.

Our contact is on the back of this folder.

¡Hasta pronto!
